Each book in this series just gets better and better. Assassin is no exception. If I was a nail biter, they'd be down to the quick after this book! Packed with tension, a hint of a budding romance and fraught with danger at every turn of the page, Assassin is a great read! I fall more in love with the characters in every book in this series. Brie is awesome!

The "Assassin" is the fourth book in the Enhanced series I have read and all have been great reads. The characters appear as "real" despite the story being set in the far future. I have liked those characters that are friendlies and disliked those that are portrayed as villains as the author intends the reader to do. The store's hype points out that it is a YA story and maybe I have ...

I know a psychologist who's quite fascinated by books featuring serial killers (although I'm not attracted to those reads at all). She doesn't admire the latter, but she finds it interesting and instructive to explore their psychology, what made them what they are and how they live with it on a daily basis. Some of us find that assassins can make interesting protagonists in the same way. I say ...

The Assassin's Creed series, by Oliver Bowden, Christie Golden, ... Just like its previous book, Assassin's Creed: Renaissance, it does not contain any of the game's present-day events including Desmond, only a reference to a "phantom" by Ezio. The story takes place four years after the video game's story (1499), in 1503. Ezio Auditore struggles to free the city of Rome from the tyranny of ...

[Jason Bourne - Wikipedia](#)

Set at the time of Italian explorer Marco Polo's historic expedition to China ,during the reign of Monogol ruler Kublai Khan, it stars American actor Richard Harrison as Polo. Taking considerable liberties with the historic record, the film has Polo turning up as an Imperial Inspector assigned to root out Chinese rebles in the south, but eventually being won over to their cause.
